

Run For Food, Inc. Privacy Policy

Run for Food, Inc. (dba Run for Food) collects the e-mail addresses of those who communicate with us via email, aggregate information on what pages consumers access or visit, and information volunteered by the consumer (such as survey information and/or site registrations).

The information we collect is used to improve the content of our web pages and the quality of our service, and is not shared with or sold to other organizations for commercial purposes, except to provide products or services you've requested, when we have your permission, or under the following circumstances:

- It is necessary to share information in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of the Run for Food Terms of Service, or as otherwise required by law.
- We transfer information about you if Run for Food is acquired by or merged with another company. In this event, Run for Food will provide notice before information about you is transferred and becomes subject to a different privacy policy.

Information Gathering and Storage

- When you register through Run for Food we ask for information such as your name, company name, email address, billing address, credit card information.
- Run for Food uses collected information for the following general purposes: products and services provision, billing, identification and authentication, services improvement, contact, and research.

Cookies

- A cookie is a small amount of data, which often includes an anonymous unique identifier that is sent to your browser from a web site's computers and stored on your computer's hard drive.
- Cookies are required to use the Run for Food service.
- We use cookies to record current session information. If you create an account within Run for Food you may be required to log-in to your Run for Food session after a certain period of time has elapsed to protect you against others accidentally accessing your information.

Data Storage

Run for Food uses third party vendors and hosting partners to provide the necessary hardware, software, networking, storage, and related technology required to run Run for Food.

Disclosure

Run for Food may disclose personally identifiable information under special circumstances, such as to comply with subpoenas or when your actions violate the Terms of Service.

Changes

Run for Food may periodically update this policy. We will notify you about significant changes in the way we treat personal information by sending a notice to the primary email address specified in your registration information.
